

Lewannick School PTA News

Dear Parents and Carers

Summer 2015

Herewith, please find the second edition of our PTA newsletter, giving us an opportunity to acknowledge how money raised during the year has been spent improving and facilitating the learning of the children at our School. We are hugely grateful to those who give their time and labour to the many events that have taken place over this year. There is always room and encouragement for anyone to join in, please contact a member of staff or one of the committee if you would like to volunteer.

Helen Young Libby Smith (PTA Chair)

Pigeon Theatre

PTA funded a really enjoyable experience at Launceston Town Hall for Classes 3 & 4. They watched a performance of 'Pigeon' by the Lunar Bug theatre group. The performance was based on the tale of a carrier pigeon during the Great War. The children then had an opportunity to work within school with the performers.

Puppet Power!

Puppets have been a real success with some of our younger pupils. PTA has purchased some lovely new characters that are already working hard!

Playground Wall

The year is never complete until Year 6 have painted the outside wall, leaving a legacy of their achievements for the next 'generation'. PTA funded the paint for this. Leaver's hoodies and the photograph have also been purchased for the end of this term.

Huff and Puff Equipment

Huff and Puff Bikes and Trikes have been purchased to improve playtime options for the children. Footballs that needed replacement have also been provided. Soft balls are now an alternative for first thing in the morning when lots of children occupy the playground. There is a swing ball to refine tennis skills and further entertain children during playtimes.

Magic Show

Magic - Dance - Comedy - mime - Illusion

Mr Eerius

www.mreeriusmagic.webs.com

It has been a busy year with lots of successful events held to raise the funds for all the above. The summer fayre raised a record £1,100 and Easter Bingo was another opportunity to swell the coffers and for the children to have fun. The Christmas treat of 'Magic Martin' was so successful that we hope to repeat this next year. Polar Fun Day was so informative and inspirational, a contribution to the village defibrillator, new football kit, and picnic benches have only been achieved through the good works of the PTA this year and the school is very grateful. We look forward to another successful year next year and in a climate of budget cuts this becomes even more crucial. Please get involved if you can.

PTA Committee: Chair – Libby Smith, Vice Chair – Lisa Wyatt, Secretary – Beth Parsons, Treasurer – Kim Sparks
