

English

Information text based on our history topic - Florence Nightingale
We will be combining imitation, innovation and invention using this information text.

Labels and Captions

These will form part of our recording - documenting the life of Florence Nightingale

History

We will interpret a range of sources of geographical information, including maps and globes.
We will compare aspects of the past with the present and how the work of Florence influenced life today.
We will use historical vocabulary to discuss and write about a significant person from the past.

PE

Invasion Games

We will be developing basic game-playing skills, in particular throwing and catching. We will play games that demand simple choices and decisions on how to use space to avoid opponents keep the ball/object/area and score points.

Hockey skills with Bobby - six weeks of refining and improving skills to include mini-games with rules of play.

RE- Special Me and us

To understand what makes me feel the way I do. To reflect on personal feelings. To listen with empathy to others reflecting on their feelings. To understand what is important to me. To identify physical objects which are of personal value and understand what makes these physical objects special. To reflect on how spiritual and moral values relate to their own behaviour.

PSHE - Identifying what we like, sharing opinions. Understanding how we feel and what we're good at. Developing confidence.

Art/DT

A strong focus for our topic.

We will explore different types of mark making using differing media. We will use smudging, pressing and blending. We will analyse shape, ratio and size of faces. Experimentation with colour

Drawing Me

Topic web - 7 weeks

Year 1/2 Hawks

Class

Mrs Young

Science

To be able to name and label parts of the human body and link these to the associated senses. To be able to name and talk about members of family, the young of humans and other animals. To be able to identify, name, describe and compare a variety of animals. To know what is needed to keep healthy and clean and understand the importance of this for humans.

Maths

Money, number and place value. Estimating and counting reliably. Ordering and comparing.

Addition and subtraction - using partitioning and number bonds.

Money and Measure - understanding value and calculating. Time.

Measures, addition and subtraction - measuring length in standard units. understanding symmetry.

Number and fractions - Odd and even numbers, spotting pattern and understanding multiplication. Finding halves and quarters of shapes.

ICT

Internet Research - children use the internet to gather information about Florence Nightingale

Search using technology effectively and safely. use an increasing range of computer programs.

Be able to predict the the behaviour of a simple program.

Create symmetry in Fresco.
