Head of School: Sally Cook

Dear Parents/Carers,
Well what a lovely week we have all had and the sunshine has certainly helped.

Well done to everyone who was involved with the May Day celebrations on Monday. It was great to see so many people out enjoying the sun and raising money for the village. The maypole dancing as always was fantastic and clearly well practiced.

Suncream

Please could children have suncream applied before coming to school. They are doing a great job with self applying it but this is taking away important time from engaging in play and eating their snack. Please can sunhats/caps be named so that they can be returned to their owner should they go wandering.

Grounds working party

We are looking to do some painting and tidying up around school and will be releasing a date shortly. If you are a keen painter, gardener, tidy upper and/or you have some spare paint please let me know, your help will be gratefully received.

Plants

We are looking to develop a small herb garden in the early years garden. The children will be able to pick the herbs and use them in their mud kitchen as well as being encouraged to smell and/or taste different herbs. If you have any spare herbs or can take any cuttings, please leave them in the front entrance.

A final thought....

Have a great weekend,
Thanks
Sally Cook

SEN Corner

Some of our children struggle with Proprioception. This is the body awareness sense, it helps us understand the position and movements of our limbs and trunks, the effort, the force and the heaviness. Here are a few activities you could try with children to improve proprioception.

<h3>What is Proprioception?</h3>	Proprioception activities			
<p>Proprioception is the body awareness sense. It helps with:</p>	<div data-bbox="746 510 1042 633"> <p>Marching </p> </div> <div data-bbox="1082 510 1380 633"> <p>Climb stairs </p> </div>			
<p>Knowing where our body parts are</p>	 <p>Scratching an itch and knowing where to scratch without looking</p>	 <p>Touching hands to feet, also known as "finding your feet"</p>	<p>Running </p>	<p>Play catch </p>
<p>Understanding how much force to use</p>	 <p>Using a pencil with the proper amount of force</p>	 <p>Holding a delicate item without breaking it</p>	<p>Sit ups </p>	<p>Rope tug </p>
<p>Coordination between body parts and senses</p>	 <p>Riding a bike and coordinating the movements to stay on track</p>	 <p>Using hand-eye coordination to catch a ball</p>	<p>Crab walking </p>	<p>Bounce on a hopper </p>
			<p>Stack chairs </p>	<p>Push a wheelbarrow </p>
			<p>Blow bubbles </p>	<p>Ride a bike </p>
			<p>Water plants </p>	<p>Bubble wrap walk </p>

What Parents & Educators Can Learn from the OFCOM MEDIA REPORT 2024

Each year, Ofcom – the UK’s regulatory body for communications – produces an overview of children and parents’ media experiences over the course of the previous year. At the time of writing, the latest of these reports, ‘Children and parents: media use and attitudes 2024’ has just been published, and we’ve plucked out some of its most thought-provoking findings regarding online safety.

ONLINE LIVES

SCREEN TIME

By children’s age group, the percentage of parents who felt less able to manage their child’s screentime were ...

POPULAR PLATFORMS

Most used by children ...

ONLINE GAMING

68% of children played video games online
