

21st September 2017

Dear Parents/Carers

I am writing to you with some important news.

In January next year I will be leaving Lewannick School to dedicate more time to my family.

Those who know me will understand that this decision, whilst the right one for myself and my family, is tinged with a great deal of emotion and sadness. I feel incredibly privileged to have worked at Lewannick School for the last ten years and both the school and its community are very special to me.

During this time I have had the pleasure of teaching your wonderful children and working together with you, as they've journeyed through the school and beyond.

Mr Antony Fugill will take on the headship from January 2018. He is currently Head of School at Boyton Primary School, one of the three schools in our multi academy trust. He will become the Acting Executive Headteacher of both Lewannick and Boyton School from this time.

I will be working closely alongside Mr Fugill after October half-term as part of the transition process.

Thank you as always for your continued support.

Yours sincerely

Stephanie Cook

Acting Headteacher
