Dear Parents/Carers

I'd like to take this opportunity to update you with some important changes to safeguarding and child protection at our school. It is statutory that all schools have a designated safeguarding lead (DSL) and deputy designated safeguarding lead (DDSL) who are trained in leading and managing safeguarding within the school. The following staff have safeguarding roles: I am the DSL, Donna Kilpin DDSL and Jane Gilman DDSL. though we have prominent and important roles to play in this area, legislation also highlights the importance of all staff in having a responsibility to safeguard children. The Department for Education's 'Keeping Children Safe in Education' document, reflects this key message: 'Safeguarding and promoting the welfare of children is everyone's responsibility. Everyone who comes into contact with children and their families has a role to play in safeguarding children.' For your information, staff receive regular training and are also provided with key updates. Furthermore, our School Governors also receive training in this area. Mr Matt Kingdon is our safeguarding governor. We have recently received very positive feedback from our recent safeguarding audit. Our quality assurance report stated: 'Once again, this is a very strong self-assessment with much of the information transferred from last year's submission. Very positive feedback from Ofsted in relation to safeguarding (2.10.9)'.
