Dear Parent/Carer

Welcome to Your School Uniform, we are proud to have been selected as the uniform provider for your school. We provide a comprehensive range of uniform, with delivery direct to your chosen delivery address or to school, through our internet shop and mail order service.

Our tried and tested products, where appropriate, have the school logo applied. We also have a large range of plain items including, jackets, footwear, name tapes and water bottles allowing you to buy everything you need in one go.

Ordering online couldn't be simpler, just visit [www.yourschooluniform.com](http://www.yourschooluniform.com) then select 'Find Your School' to select uniform approved by your school and bearing the school logo.

There are areas on the website to answer any questions as you go, such as delivery, sizes or frequently asked questions (FAQs). If you need to contact us there is a contact form on the website which, once completed, goes directly to our parent help desk to be dealt with by our dedicated team. You can also email us directly at [info@yourschooluniform.com](mailto:info@yourschooluniform.com) or call us on 0844 272 1888.

You can register and purchase uniform using a debit or credit card. If you prefer you can print off your order online and send to us with a cheque. Don't worry if you don't have internet access, you can pick up an order form from the school office and post to us with a cheque.

There should be a try-on pack at the school to help you with uniform sizes, but just in case we do offer an exchange service and include a postage paid returns label with your order.

There are no delivery charges for delivery to your chosen address, when spending over £40 and a small post and packing charge of £3.99 for orders placed online that do not reach the qualifying amount.

If your school has made available the 'deliver to school' option, there are no delivery charges for your order, whatever the value. Orders are packed individually, then collated and delivered to school at preset dates during term time for you to collect.

Please order in plenty of time, especially during the busy back to school period when delivery may take a little longer or you may be going on holiday, should you need to make an exchange or order additional items.

We look forward to welcoming you to our website, and hope that you will visit us often during your child's school years.
