

## Experience Christmas

Fox Class went on a visit to the local Church to go to the event 'Experience Christmas'. Here children learnt about the Christian story of Christmas, the Birth of Jesus Christ. They were able to see what it was like in a Church, and spoke to the people who worked and volunteered their and learnt about their roles. They were able to make their own wish about what they would like for Christmas! They also considered people who may be less fortunate at Christmas, and what kind things could be done to help at Christmas time, like donate to local food banks. Many children came back to school and retold the story of Christmas with our small world toys.
