

# Captain Coconut

On Tuesday 8<sup>th</sup> September Fox Class and Hawks Class were very lucky to have a special visit from Captain Coconut! Captain Coconut is a bubble specialist who put on a very exciting show for us all. He did a variety of tricks, like showing us a bubble caterpillar and a bubble snake, using a sock and a plastic bottle! He also made a huge bubble using big hoops, where he put people inside of them - including Mrs Young! All the children and staff were very inspired and amazed by the session; Fox Class have tried many of the fantastic ideas that Captain Coconut demonstrated and Hawks Class have been looking at bubble poetry! We also learnt a surprising and interesting fact; bubbles actually prefer to be in the rain than in the sun!

Thank you very much to the PTA for this amazing experience!
