

Visit from PCSO Danielle Hill

On 4th May 2016 Fox Class had a visit from Danielle Hill, our local PCSO. She told us about her job, her uniform and its equipment and also about stranger danger and calling 999. The children were really interested and asked some very thoughtful questions. We have continued our learning around Police this week including our Police Station role-play and writing about police as VIPs! Thank you very much to Danielle Hill for the inspiring visit!
