Dear Parents/Carers

Term is flying by and I am getting to know all the children. One of the highlights of my job is when children get to come and show me their amazing work. I have seen some fantastic homework, great writing and wonderful maths - it's always a pleasure to see! I have already started working in sessions teaching some of the children and this is my favourite part of the day!

Thank you to those parents who have signed and returned the parking pledge we sent out this week. It really is something that is important we work on together to keep the children of our school safe.

I have met a lot of parents over the last few weeks in meetings and in passing as I get to know the wider school community. I am always happy to meet with parents to discuss things and if you wish to arrange a meeting, please see Mrs Davey or Mrs Patterson in the office. I do ask that, where possible and appropriate, you ensure that you have met with the class teacher and or relevant staff member first before meeting with me. This ensures that they have the opportunity to be aware of any issues and address them with you initially and in the classroom. Thank you for your co-operation in this matter.

I hope you all have a good weekend.
