

Friday 20th April

Dear Parents

At the recent Duchy Academy Trust Directors' Board meeting, a decision was taken to extend the Acting Executive Headship across Lewannick and Boyton Primary Schools for a further academic year.

I am writing to inform you that I will be remaining as Acting Executive Head Teacher of Lewannick and Boyton Schools during this period. I have thoroughly enjoyed leading the school for this short period already and am incredibly excited about being a part of the immediate future for the school and most importantly further developing the opportunities for the children.

My aim for this period is to provide stability after a period of significant change for the school and to work with children, staff, governors and parents to continue to develop and further enhance the school provision.

I am acutely aware that this has been a significant change for the school and during change there is always anxiety around the unknown. It has been great to meet so many parents already and be working closely with you. However, if you have any concerns or questions you want to ask, do please come in and make an appointment, as I always welcome an opportunity to discuss things in person.

As with any change, this is also an opportunity. Myself, governors and the staff will work with you during this period to reflect upon school provision and processes with a 'fresh pair of eyes' in order to continue to ensure we are providing the best we can for your children. Lewannick is a good school and I am proud to be part of it.

I would like to thank you, the governors and the staff for your support during my first term and look forward to working with you in the future.

Best wishes

Mr. Fugill
Acting Executive Head Teacher
