Acting Executive Headteacher: Antony Fugill

Having spoken to a number of you, I am aware that many of you would like to move to weekly newsletters. I have really appreciated and valued this feedback and we will be issuing a weekly newsletter from now on. We intend to move these to email distribution, so Mrs. Patterson has text you all to confirm the best email address to send these to. If you still wish to receive a paper copy, please do pop into the office and one can be photocopied for you. Please don't forget that there is always a copy on the window outside the main entrance.

From next week, each class will be putting an update into the newsletter informing parents about all the exciting events happening in class during that week and celebrating all of the good things that happen here at Lewannick. On that subject, I have had a number of incredibly proud moments for the school this week. On Tuesday afternoon I showed our Academy CEO Matthew Shirley around all of the classes. He was incredibly impressed by the learning and activities taking place in all classrooms and the children were, as always, a real credit to the school. On Wednesday, I was completely blown away by the manifesto speeches given to the whole school during the latest election assembly in our run up to the vote for our new head for the week! Children of all ages presented what were extremely well thought out and considered speeches that were highly impressive! The vote will happen on Thursday 24th May with the results announced on Friday 25th May. The new child Head Teacher will take up their week long term of office the week beginning 11th June!

Keep an eye out for upcoming dates around a number of events we have coming up over the next few weeks - Grandparents Fish and Chip Lunch, Class Assemblies, our School Open Session on Saturday 30th June 1-2pm, just before the start of the Summer Fayre and big news updates about our stunning end of year production!

I would like to take this opportunity to wish our Year 6 and Year 2 children the very best of luck as they enter their SATs assessment period. I know both the children and the staff have worked so hard and they will all be brilliant!

Have a good weekend.

Mr. Fugill
