Dear Parents/Carers

Wow, it's been a hot week! Thank you for all your support in ensuring your children have sun cream, hats and water bottles in school. On Wednesday this week, the school was full of music as Mr. Harrison was in for the day helping us with our Alice in Wonderland songs. They're sounding great!

I would like to take this opportunity to thank the Hickishes for their support in allowing us to stage our production in amazing surroundings! Also a big thank you to Mrs. Kilpin and all the staff who are heavily involved in what I know will be a fabulous production.

We were delighted to welcome Mr. Masters into Fox Class for 2 days this week as he begins to get to know all the children, staff and parents as he becomes their teacher in September.

The weather is set to be beautiful for our Open day and Summer Fayre tomorrow. A huge thank you goes to all the PTA, staff and volunteers that have put hours of effort into what I know will be an incredible event!

See many of you tomorrow!

Best Wishes
Mr. Fugill

- GDPR image consent forms
- Bristol consent forms

Costumes for our production of Alice

Please look in your child's bag as costume requests have gone out for the production. Parts of costumes are being provided for by school.

Thank you

Eggcelent News!!

Hawks Class have been waiting patiently for 3 weeks for their eggs to hatch! On Thursday morning, the chicks had started to chip away at the shell and we could see a little beak poking out. The children waited all day Thursday for chicks but still they weren't ready to meet us! On Friday morning, Mrs Maynard and Miss Bowden were so excited to see that overnight, 5 chicks had hatched. The children came running into the classroom to see them and were delighted to find the little chicks in their incubator. It has been a long long wait but definitely worth it! Now we have the job of naming them!

Alice in Wonderland.....

Rehearsals are going well for Alice in Wonderland. This week we have started to merge all the school together and practise different scenes. A massive well done to all the children who have learnt all their lines off by heart!

The whole school have also been practising their singing with Mr Harrison over the last term, so it is all now coming together. Just a reminder that the performances are on Friday 13th July at 1.30pm and 6pm.

Fox Cubs.....

We have been busy this week learning about animals that live under the sea and naming all the different sea creatures.

The children have created spectacular pictures with wax candles and then painted over the top with watercolours to give a sea effect. They then stuck stickers of different creatures on top!

Lewannick Community Primary School
