

3rd October 2018

Dear Parents/Carers

Football Experience Friday 12th October 2018

Plymouth Argyle Football Club comes into school each Friday to run a PE session with the pupils. As part of our schools sports premium funding, we bring in Plymouth Argyle as a specialist to provide high quality PE education to our pupils and also offer staff continued professional development opportunities to improve their knowledge, understanding and expertise in this area.

On Friday 12th October we are inviting all parents and carers of Fox and Hawks Class children into school to participate and get active with their child in a Football session run by Argyle. Please ensure you wear appropriate footwear and clothing for the session.

Fox Class will have a session between 1.15 - 2pm and Hawks Class will have a session between 2 – 3pm. Please come to the office to sign in 5 minutes before your child's session.

We would like as many parents to join us as possible so could you please complete the slip below to indicate if you are able to attend and return it to the school office by Thursday 11th October.

Yours sincerely

Miss L Bowden
PE Co-Ordinator
