Acting Executive Headteacher: Antony Fugill

Friday, 11th January 2019

Dear Parents/Carers

I would like to take this opportunity to welcome you all back after what I hope was a wonderful break.

The children have come back and settled straight back into the job of learning and school life brilliantly.

As you are aware, I am now teaching in Trewortha on Monday and Tuesday and am out of class on a Wednesday. We also welcomed Miss Johnston into Trewortha Class this week who is teaching there on a Wednesday, Thursday and Friday - I thought the Year 6 children looked amazing for their stunning start to their topic on LA on Wednesday.

With this in mind, you will soon see a new photo board going up in the reception area which will have all the staff and their roles and responsibilities on.

On Wednesday we had a school review conducted by Mr. Tim Osborne who is the Senior School Improvement Officer for Cornwall and Lisa Tamblyn an experienced head teacher from another Cornish School. The day was very informative and a report will follow where we will be sharing the findings and recommendations with you in due course.

We are noticing that the parking situation outside of school, both before and at the end of the school day, is getting challenging for all again. Please can I remind many of you that we have a parking pledge that many have signed around parking considerately to both the residents of Hawk's Tor Drive and most importantly, with consideration to the safety of the children. Thank you for your co-operation in this matter that we will continue to monitor closely.

I hope you all have an excellent weekend.

Best wishes

Mr. Fugill

- Year 5 Badminton Festival Letter
- Clubs Letter
- Cross Country League Race Letter

After School Clubs

All after school clubs will start week commencing 21st January, with the exception of PAFC.

Thank you.

Fox Cub News.....

Fox Cubs have enjoyed investigating what happens to water when it freezes this week. We went out for a morning walk to look at the frost and ice. We made hand prints in the frost; the heat from our hands melted it! We saw some frozen water and watched it melt, turning from a solid back into a liquid as it warmed up.

We have also been talking about our favourite books and sharing them with our friends - our topic for this half term is "Books are Brilliant!"
