Friday, 18th January 2019

Dear Parents/Carers

An end to what has been another busy and productive week at Lewannick Primary School.

On Monday we had the first of our assemblies where children can share with the school their successes and achievements from their lives outside of school. This week, we were delighted to share the success of Megan and Harriett who told us all about their incredible achievements in a regional climbing competition in Dorset. Well done to both for their achievements and how well they spoke in assembly.

If your child has got something amazing they want to share with the school, please drop Mrs. Patterson an email by the end of school on Friday so we can look forward to Monday's Assembly on the 28th January .

Congratulations to Fistral House who are this weeks House Points winners!

Please can I take this opportunity to ask that all parents and carers ensure that their child has an appropriate PE kit in school on PE days. It is a statutory requirement that children take part in PE and at the start of this term, we have had many children come to school without the correct kit to enable them to safely participate in an essential part of their curriculum. If you are unsure of your child's PE days or what a correct kit constitutes, please do not hesitate to ask in the office or your child's class teacher at the end of the day.

I hope everyone has an excellent weekend.

Best Wishes

Mr. Fugill

LETTERS DISTRIBUTED

- Year 6 - France Residential Letter

Mr Harrison our Music Teacher, is taking part in the London Marathon in April. He is putting on a concert to raise money for his chosen charity. Details of this event are on the back of the newsletter.

Thank you.

Dear Parent/Carers,

As some of you will know, we were visited last week by the Cornwall School Effectiveness Team. They spoke to a number of stakeholders including governors, parents, children and members of the Duchy Academy Trust staff. A full report is being prepared and a meeting to feedback to parent/carers will be organised.

Before the Christmas break, Helen Ward and Matthew Shirley met with representatives of the Regional Schools Commissioner. This had been a scheduled meeting in which the current aspirations, issues and successes of the academy were discussed. As a result, the RSC has agreed to fund additional school improvement support for Lewannick from a Teaching School.

Thank you for your continued support.

Matthew Shirley

Eden Residential photo's are now on the website to view.
