Dear Parents/Carers,

Firstly, I write this having just come out of Owl Class, having been treated to their wonderful version of their Super Tator story. I am still smiling as I write this, it was brilliant!

I want to take this opportunity to tremendously thank, Miss Gomm for all her work during her time at Lewannick. I hope you will agree she has been such a positive influence on us all. As we welcome Mrs Hopkinson back next week, we wish Miss Gomm well.

You will notice in the dates section of the newsletter, we are holding our first Open Morning on Wednesday 2nd October starting at 9.15am, this is an opportunity for you to come in and observe your children in their learning environment and for any prospective parents to view the school.

Please check regularly the newsletter and website for an increasing number of opportunities for you to come into school and share in your child's learning and their school experience. We will be sending out dates for these opportunities early next week.

PE Kits are essential to enable children to actively and successfully engage in their PE lessons. Schools are expected to give children two hours of physical activity related learning each week. As a result of this children must have a PE kit in school either the whole time or on days that they have PE. This year we are operating the policy of one opportunity to forget kit only, with a letter to follow if kit is forgotten on subsequent occasions. Many thanks for your co-operation in this matter.

Club letters have come home to you today and all clubs will begin on week commencing Monday 23rd September. Places will be allocated on the same basis as previous year and should they be over subscribed, names will be drawn from a hat. Please can all completed club forms be placed in the black letter box in the foyer.

All the children are now fully engaged in their learning and they have all made a great start to their school year.

Have a lovely weekend.

Best wishes,

Mr Fugill

TDAT News

On the very first
day of term,
Wednesday 4th

September, every member of staff in all the three
schools in the academy met to discuss introducing a
formal Mission Statement for the academy as well
as some statements which reflected our vision for
the academy as well as the most important values
we believe best encapsulate what we aim for.

During the day there were lots of suggestions and
proposals and the planned next step is to put the
most popular of these to the children, staff and
governors across the schools to vote on, in order to
come up with one Mission Statement for the
academy and perhaps 5 values which will be shared
across Boyton, Callington and Lewannick.
