Dear Parents/Carers

As we have had such lovely weather this week, it has been wonderful to watch children of all ages playing together on the playground and field. I think we ought to give a special mention and well done to our youngest Nursery children who are loving life on the playground and really making their mark!

It's important to take a moment to celebrate the most positive aspect of our school - our children. It is so pleasing to watch older and younger children alike helping, supporting, smiling and enjoying the company of each other.

Coming home today is a copy of our 'Dates for your Diary' up until the end of term, which includes details of all up coming events which I hope you find helpful.

We have been passed on some information regarding a Defibrillator training event here in the village, further information is located on the last page of the newsletter and children are welcome.

We have spoken to the football club provider and following this we have decided to open up the after school club from Reception to Year 6. If you have children who wish to take part, please email Mrs Patterson in the school office.

I hope you have a lovely weekend.

Best Wishes

Mr Fugill
