Dear Parents/Carers,

Welcome back from what I hope has been a peaceful and enjoyable break over the festive period.

The Children have settled back into school and are learning quickly and are already engaged in this terms topic of Kernow Bys Vyken—Cornwall Forever.

Coming up over the next few days and weeks will be notifications regarding trips, outings and events that teachers and staff are organising currently to support this topic.

At the start of the new term can I please remind all parent and carers that children require a suitable PE kit to be in school at all times. Last term many children were hindered in PE lessons by not having an appropriate kit in school—thank you for your co-operation in this matter.

Over the course of the next week we will be sending home a list of dates of open mornings etc for you to come into school and share learning with your children. These were very well attended last term and we hope you find them useful and informative.

I would like to take this opportunity to extend a warm welcome to Miss Wakley, joining us as Owl Class teacher.

We are aware that our website in it's current format is not as informative to you as parents as it could be. Please be assured that we are in the process of updating this method of communication with you as soon as possible. So you are fully aware, the school closure procedure is updated on the website in the event of snow.

We are in the process of re-launching our school Facebook presence. As soon as this is ready we will of course inform you. Thank you for your patience during this time.

I hope you have a wonderful weekend.

Best wishes

Mr Fugill
