Executive Headteacher: Antony Fugill

Dear Parents/Carers,

This week the children have been very busy in class, in Foxes they have completed a fantastic 'Elmer' based story map with some very interesting illustrations. The children have also been busy learning the value of coins and using it to pay for items within the class. Miss Rydqvist would love for you to take the children to the shops so they can show you what they have learnt.

Owl Class have started their outdoor learning this week which has involved them getting outside and exploring their senses. In the classroom they have started fractions and have enjoyed cutting shapes in half.

Otter Class have been challenging themselves with learning fractions and planning their own Stoneage stories.

Kestrel Class have been busy learning about local maps, co-ordinates and contour lines in line with their current topic. In science they have been learning about different types of food and they are making a healthy eating poster.

Just a reminder to you all that the Parent Consultation sign up sheets for Owl, Otter and Kestrel Class will be up in the foyer from Monday morning. The sheet for Fox Class will be outside of their side entrance.

Finally, can the parents of Otter Class please keep an eye out for a letter coming home on Monday regarding their residential to Porthpean in June.

Have a lovely weekend.

Best wishes

Mr Fugill

DATES FOR YOUR DIARY

| 1 | 85.6% | 5 | 100% |
| 2 | 91.1% | 6 | 100% |
| 3 | 89% | Whole School | 93.7% |

Compost needed.....

Do any parents/carers/grandparents etc have any old bits of potting compost (unused) lying around in their garages or sheds, that they no longer need? If so, Owl Class are looking for some to use as part of their learning this term.

Please leave any donations outside the main doors to the school.

Thank you in advance.
