Executive Headteacher: Antony Fugill

Dear Parents/Carers

As we end the penultimate week of this term, I wanted to extend a big thank you to all of you, the children and staff for the manner in which we have all worked together this term to keep the education of the children of paramount importance during these challenging times. There have been challenges along the way, but everyone has risen to these brilliantly, thank you!

You may have been aware in the news in the last couple of days that schools were offered the option to take an extra INSET day on Friday 18th December. As an academy and school we have decided that this is NOT an option we will be taking as we feel it is too late notice for parents and carers and we will be opening on this day. Friday 18th December will be our last day of term and a non-uniform day.

The following is important Covid information for the holidays, please take time to read this carefully - thank you.

[Coronavirus information for the end of term and the holiday](#)

Parents/carers need to notify the school in the event that your child tests positive for coronavirus after school finishes on Friday 18th December, if this happens up to and including Wednesday 23rd December, but **only** if the symptoms emerged by 3pm on Sunday 20th December, 48 hours after the school has closed.

Please inform the school by emailing secretary@lewannick.net. This account will be checked at least once a day up until Christmas Eve. If a child, or member of staff does test positive, a text message will be sent to the main contact number the school has for your child informing them of this and the advice the school has received from Public Health England.

I hope that you all have an excellent weekend!

Best Wishes

Mr Fugill
