

**Together we inspire, together we nurture, together we achieve.**

22<sup>nd</sup> January, 2021

Dear Parents/Carers

Well, we have reached the end of Week 3 of lockdown and I have to say a big THANK YOU to everyone for their incredible efforts at supporting the children, school and each other at this time. The learning engagement in online sessions and work at home has been exceptional.

Please do remember to ensure you are taking time away from the learning as well for both yourselves and your children. We have had no indication or suggestion to imply a reopening of schools imminently and certainly we have at least another three weeks until half term when the lockdown is due to be reviewed. Therefore, please ensure you are looking after your stress and anxiety levels and those of your children. If you want to talk through any challenges with home learning or any aspects of this lockdown and its impact, please do talk to us, we are always here to help in any way we can.

Through Callington Town Hall, I have managed to get access to a small team of IT technicians who are able to redeploy old laptops and make them suitable for children without IT at home to use. So if you know of any businesses who may have old laptops, please do encourage them to donate them to school so we can clean them, clear the content, make them safe and utilise them for children.

Most importantly, please do have a relaxing weekend. I am acutely aware of the extra stress and pressure this lockdown and home learning places on you and your children, so please do get away from screens etc this weekend.

Best wishes

Mr Fugill  
Executive Headteacher
