

Together we inspire, together we nurture, together we achieve.

05th February 2021

Dear Parents/Carers,

I wish to start by extending another thank you to you all for the amazing efforts you have been putting in and the lengths you have gone to in supporting your children with their online learning. Both the staff and I fully appreciate how much you have undertaken in supporting your children at this time and we have been so impressed by the work we have received and the engagement in online lessons and meet ups. Truly, thank you!

Just a reminder that school will be closed to all (including Pre-school) over half term and this includes no learning packs or online learning provision as I think we all need a break, especially yourselves and the children! After half term (w/c 22nd February) learning packs and online learning will recommence and school will be open again to critical worker and key children. Pre-school will open as it currently is. I am continuing to monitor Government guidance regarding the situation around the full reopening of schools and will let you know as soon as I know more. As it stands, we are anticipating no change to the current situation before the 8th March at the earliest.

To the children both in and out of school - thank you! You are all being utterly amazing and we are all so proud of you. We also do miss those of you who are currently at home, tremendously and really can't wait to have you back as soon as possible.

I hope you all have a relaxing weekend and sincerely thank you for your continued support.

Best wishes

Mr Fugill
