Dear Parents/Carers

At the end of the first two weeks back after lockdown, I am reminded that almost exactly 12 months ago, we were heading into the first lockdown as a result of the pandemic. I don't think any of us could imagine the new skills and changes to life that were heading towards all of us. Nor could we have predicted the unprecedented levels of disruption that the children would have experienced.

So, 12 months later I wanted to write to you to share with you that whilst many things have changed, there are still very much some key things that haven't: Seeing the children and working with them is still the best part of the job! They have shown how resilient and adaptable they are - they always were. Everyone at school remains as committed as ever to giving the children the best opportunities we can.

I do recognise that despite all of our and your amazing efforts, the children have missed many opportunities due to the enforced restrictions on their schooling experience - trips, clubs, performances, sport, music and dance opportunities etc.

As a team, we are planning, in line with the government timeline of the proposed lifting of restrictions, to pack in as much as possible over the coming months to provide children with the chance to experience and access as many of these missed experiences as we are able.

Staff are currently working exceptionally hard on organising clubs, activities and enrichment opportunities for the children for after the Easter Holidays - offering class bubbles as much variety as possible within the restrictions. We will be writing to you shortly to give full details around this.

We, as a staff team, are determined to ensure that the children have as many opportunities as possible for the rest of this academic year and I am confident exciting opportunities lie ahead.

It has been fantastic having the children back over the last two weeks and I know I speak for all of the staff when I say, it has reminded us of how much we enjoy working with them.

I hope you all have a fantastic weekend.

Best Wishes

Mr Fugill
