

Communication and Language

This term we will be learning to:

Listen to and respond to familiar stories, copying repeating phrases and sentences.

Retell stories using different props such as lolly stick puppets and small world toys

Sing different songs and action rhymes

Begin to listen and concentrate for longer periods of time

Develop social phrases such as 'Good Morning, how are you?'

Begin to learn new vocabulary

Begin to ask questions to find out more

Personal, Social and Emotional Development

This term we will be learning to:

Become more independent by learning to change into our PE kits and back again with little support.

Play with more than one other child and start to solve conflicts.

Express our feelings

Begin to show resilience and perseverance when faced with a challenge.

Cut our own food using cutlery and child safe kitchen knives.

Physical Development

This term we will be learning to:

Continue to develop our body movements such as balancing, riding and ball skills.

Use one handed tools such as scissors, pens, pencils and glue sticks.

Combine different movements with ease and fluency by creating our own obstacle courses.

Continue to free draw and begin to form letters correctly.

Begin to develop the skills needed to successfully manage the school day such as lining up and sharing mealtimes.

Expressive Arts and Design

We will be learning to:

Take part in imaginative play and develop storylines in role play areas and using small world toys

Explore and engage in music including singing in a group and on our own

Explore colour and colour mixing and look at the artist Kandinsky

Investigate different tools to create different effects with paint

Explore different textures and ways of joining.

Fox Class Curriculum Web

Autumn 2021-22

Welcome to our World

Literacy

This term we will be learning to;

Accurately spell our names

Recognise the sound a letter makes and begin to put single letters together (blend) to form words.

Break up words into sounds to help us to begin to read.

Use different equipment to make marks and start to write.

Sequence pictures to help us verbally retell stories in particular 'The Gingerbread Man' and 'The Three Little Pigs'

Use the role play areas to help us to write labels, lists and stories.

Understanding the World

This term we will be learning:

About different jobs that people do and use role play and small world toys to act these out.

About significant places in our community such as the church and the local farm.

About our own lives and our family

About the different seasons and the effect it has on our environment including the weather changing

Identifying what happens when something gets too cold or if light disappears.

To explore different materials and their purpose. We will use different materials to build houses for three little pigs and investigate which one is the best.

Program the Beebots using a single instruction.

Take photos of our learning using an Ipad.

Explore different celebrations and understand why Christmas is special for Christians.

Maths

This term we will be learning to;

Count accurately to 10 and possibly beyond

Say one number for each object in order.

Match the correct number of objects to the number

Sing counting songs and number rhymes

Begin to write numbers

Begin to understand 1 more and 1 less than a number

Continue, copy and create repeating patterns
