

Together we inspire, together we nurture, together we achieve.

Friday 1st October 2021

Dear Parents and Carers,

Below is an overview and details of the events that are coming up at school.

Open Morning – Friday 8th October 9.30am – 11.30am

This is an opportunity for you to come into school and see what we are doing. You will be led around school by members of Year 6 and have the opportunity to have a cup of tea with Mrs Cook in the hall.

Harvest Festival – Monday 11th October at 9.30am

This is a celebration of harvest and is being held in Lewannick church at 9.30. All parents are welcome. There will be some whole school singing as well as each class doing a short performance. It will finish between 10.00 and 10.15.

Sharing Time – Friday 15th October at 2.30pm

This is an opportunity for you to come into school and for your child/ren to share their learning with you. This is designed for you to see how they are progressing in order for you to think about questions you may want to ask during parent consultations. Teachers will not be able to answer any specific questions regarding your child at this time. You will be able to take your child home once you have finished sharing their books with them.

Parent Consultations - These will be held during the week beginning 18th October.

These will be held remotely and will be an opportunity to discuss your child's progress settling in since the start of term. Please keep an eye on emails and sign up sheets.

Phonics and reading workshops - 3rd November at 2.30pm and 5th November at 9.30

These workshops will be led by Mrs Cook and are aimed at supporting you with helping your child at home with learning phonics and reading. They will be approximately 45 minutes long and held in the hall.

If there is enough interest, Mrs Cook will run another workshop during an evening in early November.

We would politely ask that if you are attending any of the face to face events to please wear a face covering (unless you are exempt).

Additional information

You have been sent curriculum webs for each class for this term. This shows you what the children will be learning. On the website, on each class page you will also find a knowledge, skills and vocabulary grid for each class and this will show you the expectation of outcomes for each specific subject.

We look forward to seeing you back in school,
Many Thanks

Sally Cook
