

PE and School Sport Action Plan

Lewannick School 2021–2022

Background - The primary school sport premium investment goes direct to primary school Head Teachers and is designed to support improvements in the quality and depth of PE and school sport. In 2017/18 the amount schools receive each year has doubled.

Key Indicators - The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport offer. There are 5 key indicators that schools should expect to see improvement across:

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Funding - Individual schools will receive circa £16K –17K per annum (depending on the number of pupils) which they can use to support these outcomes through various options including; release of staff for CPD, employing specialists to work alongside teachers, cluster work with other schools and partnerships, transport, equipment, hall and pool hire etc.

Total fund allocated - £16,900	To be Updated – June 2022	

Key achievements to date:

- All staff upskilled in the teaching of gymnastics
- Playground leaders introduced to ensure active playtimes
- Increase in the number of different sports offered in curriculum time and after school
- Successful alternative sports day delivered
- Subject Leader in PE - awarded subject leader accreditation and this has supported the leadership of PE.

Areas for further improvement and baseline evidence of need:

- To ensure there is continuity and progression in the delivery of curriculum PE and there is an engaging, broad and balanced curriculum in place.
- To investigate a variety of programmes to increase the number of children active for 30 active minutes. Eg active maths/active classrooms and ensure a range of programmes are on offer.
- To improve the playground area to ensure it is engaging and children have equipment to use which increases their physical activity.
- To upskill key members of staff within the school to increase knowledge and understanding in the delivery of PE school sport and physical activity.
- To upskill playground leaders within the school and the playground to promote health and well-being.
- To introduce outdoor learning across the school, with the introduction of a wild tribe day.
- To upskill the PE leader through a PE MOT day.
- To investigate the use of a participation monitoring programme which collects participation data accurately.
