

Medium Term Plan Summer – Foxes

Term: Summer 2024

Class: Fox

Teacher: Mr Masters

Literacy/Phonics:

We will be covering a variety of books in Drawing Club and Talk Through Stories, with a few being: The Extraordinary Gardener, The Lion Inside, The Giant Jam Sandwich and many more.

We will also be completing phonics every day. Lots of us have moved on to books which we can now read! We will continue to focus on more complex sounds with a variety of different digraphs.

Maths:

We will be following Power Maths lessons, which will involve counting and comparing numbers, number bonds to 10, addition and subtraction, patterns and sequences, shape and measure.

Technology:

To learn about e-safety and to learn how to create artwork and pictures using technology. To explore how Bee-bots work and to use them effectively.

Summer term in Foxes!

Expressive Arts and Design:

To create self portraits. To create a mandala sun catcher and a salt painting. To experiment further with colour, design and painting techniques.

Communication and Language:

To carry on talking confidently in front of small groups and to learn new vocabulary. We will also focus on learning and re-telling stories. Also, we will focus more on speaking in the right tense.

PE:

Athletics with Arena and Striking and Fielding with Mr Masters.

Understanding the World:

To compare current toys and vehicles with ones from the past. To start to understand the concept of generations. To know that people in different countries may speak different languages and eat different foods.

Personal, social and emotional development :

To maintain focus during extended whole class teaching. To continue to listen to the ideas of other children and agree of a solution and compromise. To put on uniform and do up zips, buttons and buckles with minima support.
